

Although many of our villas are already equipped with essential items for young children such as highchairs and baby cots, a more comprehensive range of equipment is available from reputable outside suppliers for hire, at a small additional charge.

Among the advantages of 'hiring in' are that the equipment tends to be more up to date and is of the highest quality. So please contact our Customer Services team if you would like the hire of any of these items to be arranged for your arrival.

Baby cot	USD 10++/night
